Notes:

- 1) "Active Documents" is the default selection when you first open the Search screen. It returns all documents in the active database.
- 2) Selecting "Archived Documents" returns documents that are not in a "workable" status - received and void - and are stored in the archived database.

Please note that the CAGE Code is the only required field on this page.

However, please enter as much information as possible to narrow down your search results.
